Pink for your nose which I miss kissing all day long. And pink for all the kisses you would give me whenever I asked, said "kiss kiss" or "besinhos, besinho".

*May God bring you to the light and to heaven.
LOVE,
Mommy.*

“ *Mi belinha you will always be "El gatinho mas lindo do mundo, con narisinho rosadinho" .
Kitty "soy un gatinho gordinho, fofinho y blanquinha" ...
I love you forever and you are in my heart forever. I am missing you so much. and your "kiss kiss" and "besinhos". One day we'll be together again, I can't wait to squeeze and kiss you all day again..*
