“ *Augie Doggie Quagliana, 3/1/98-1/15/12 RIP dear one. Augie Doggie was a rescue dog from the streets. He was believed to be a Chow and Sheltie Collie mix breed. He was loving and youthful all of his life. He was playful right up to the end. I loved to spoil him rotten, but my time with him seemed to be cut short. He was my constant companion. He loved going for walks and adored going up to the mountains for long weekends. My life seems empty now without him. I miss him terribly! I will always love you buddy! Go toward the Rainbow Bridge and wait for me.*
