“ *Rest In Peace Banjo, May there be plenty of birds for you to chase in heaven. I'm going to miss you greeting me and the boys in the morning while we walked up to your house. I'll miss tripping over you when I left because you had to be out the door before me. You were a spunky, loving and sweet boy. Xoxox*

“ *I remember picking him out at the shelter and me and my daughters thought he was so pretty he had to be a girl. But let me tell you that pretty cat was an alpha male, he was a G. We had an understanding that best friends have. And for that I will be forever grateful to have had Banjo in my life. Rest well my friend*
