“ This morning was so hard... "your spot" empty:( I will never forget all your unconditional love and always the first to greet everyone. Everyone always said they never seen a rabbit as smart as you. You'll always be our shining star. We love you and miss you terribly BooBoo: '(

“ *Jasmine cried everyday at preschool and we promised her if she stopped we would buy her a rabbit. The school year ended and we had to keep our promise! We waited several weeks for you to be delivered from a farm. You were so loved from day one...spoiled as well and smart as can be. We miss you so much and all our hearts are heavy. You will be sadly missed and never forgetting my "Lil Woogy Bear" rip????*
