“ Although I never had the opportunity to meet Bosco,
I do know about the outpouring of love that our fur babies give us.
It is an unselfish love that humans are incapable of giving. In my lifetime I have had to lead 8 of my precious babies to the rainbow bridge. They all remain in my heart as Bosco will in yours. Bosco is playing with them now under a shady tree in God's flowering meadow. May his tired body rest in peace and his spirit always be with you.
