“ To my little brother, Buddy Cornelius Micheal Andia

You were and still are Oliver to my Company. A day never goes by without me thinking of you. I adore you with all my heart. You were the sweetest and most precious thing life had to offer me. You had such a unique soul and beautiful spirit, always lighting up the room with your adorable smile and cuteness. I will cherish all the beautiful memories we made together as children because your life was full of laughter, love, and blessings, and was the best kind of adventure. Growing up with you was a most beautiful gift God gave me. Buddy, no amount of words can describe the love that we have for you. You brought the biggest light to my life and I thank you for always being by my side. You've left your fluffy paw prints on our hearts that time will never erase. Daddy's waiting for you. Rest easy now and fly high my sweet angel, your safety home in heaven at last.

*Love,
Your sister & best friend Sophia*
