Richard Borrero - September 05, 2023 at 06:06 PM

“ Our handsome fur baby took his last breath on Monday September 4, 2023. He made our lives complete. Though he was sure to let everyone know that he loved his space, he was still sweet & playful. You are no longer suffering and hoping you are running around playing with your news friend in pet heaven. We will never forget you and you will be missed forever. Love always, Maribel
