“ My Chance,

I'll never forget when I first found you. I couldn't just walk away from you. You wouldn't stop meowing and rubbing against me until I fed you. I didn't want to leave you & clearly you didn't want to leave me either because you followed me home and waited for me to come back outside to feed you some more and give you attention. Once everyone say you they knew we couldn't leave you outside. You were sick since the day I met you. We cleaned you up and got you better unfortunately it wasn't forever. We enjoyed every day with you, & we love and miss you so much. Not a day will go by that I don't miss that little tongue of yours hanging out of your mouth just staring at everyone. You filled my heart will love and joy & you gave my dad company. He loved every second of that smelly breathe of yours. You became his bestfriend. It's hard without you here, but please watch over us and remember we love you so much. I hope your better and having fun in kitty heaven.
