“ *I'd just like to say how sorry we all are about the passing of Charlie and his brother, Rocky. They were a couple of very good dogs!! All they ever wanted from a visitor was a little petting. I know my cousins, Scott and Jo, are gonna miss them so so much. Just like everyone else who's lives they touched.  
RIP Charlie!!!*

“ Aww Charlie, I'm sorry I didn't get to say goodbye to you, or to Rocky. We don't know where you came from but I know the last few years of your life were filled with love when you were rescued by your dad, and your mom took good care of you too. Run free like a puppy now with your bestie Rocky. We will miss you both. xoxoxoxo

“ We will miss you, our little chubby Charlie. You made us so happy for the brief time you were in our lives, and you showed so much courage overcoming so much adversity with your back and your heart. We hope you and Rocky are young, pain-free and running along a beautiful beach somewhere.
