“ *Our fur baby Cheyenne has crossed the rainbow bridge and we miss her tremendously!*

*We were blessed to have had her in our lives for 8 glorious years!*

*Her previous owner had unfortunately passed away, leaving her in need of a new home and family. We welcomed her to our apartment and our hearts on March 16, 2014, and she soon became the queen of both. Her personality was sweet and quirky, and her beautiful albino coloring was truly unique. She lived up to her name by being a shy girl. Despite her timid disposition, she was always the brave little hunter.*

*When Greg rescued Cleo in 2019, Cheyenne was gracious enough to share her home with her new sister. They had a typical sibling relationship, inclusive of sporadic tiffs, but they grew to love each other. Since Cheyenne's sudden passing on December 15, 2022, Cleo has been mourning - truly feeling her sister's absence.*

*Cheyenne was loved by our family and friends, most especially our cousin Tom and friend Anthony. She would want us to thank them both for the time and attention given to her when we were unable to be at home. We were fortunate to have found such caring pet sitters!*

*We'd like to ask that you add a photo, share a memory or light a virtual candle for our sweet girl Cheyenne. She was amazing, irreplaceable and we will always love her dearly.*
