“ Hey Chickie, it's me again, Mommy. I miss you sooooo very much, all the time. I can't believe how fast the time goes. Your sisters are driving me nuts! Especially Watson, she is just plain bugnuts. Have you seen Sarah...I'm sure you have, kiss her for me and Gina. I know you're having a blast in Heaven with Jesus!! I miss you still, everyday and you are always in my thoughts, everyday too. I'm glad I have your sisters with me they help me when I get lonely for you, they help lighten my heart. Well, later my sweetie, I'll love you forever. xoxoxoxo, love, Mommy

“ Hey Chickie Wickie, How much fun are you having with Jesus? You already know how Daddy and myself are doing. We have our grief under control somewhat but the hole in our hearts has not yet closed. There is not a day goes by that you are in our thoughts, not one single day. Our memories are sweeter now and we can even laugh when we think of your zany kooky ways. your OCDs and other peculiar eccentricities. I really miss watching TV with you soo much! I will talk to you again soon. I love you Golden Child. Love Forever, Mommy xoxoxox

“ *Hey Chickster, Today is a better day for me. I miss you...remember when we used to laugh and called you 'Crow', from science theatre! his shadowed profile looked just like you . I miss watching TV with you. You were my mirrored audience, me screaming, and you barking... what silly things we were together... you will always be my Best Friend.. I'll catch up with you later. Love Forever, Mommy

“ Chickie, my heart, 9/29/15

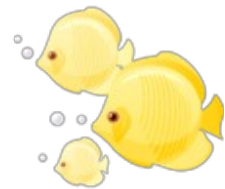

*Today is your second month in Heaven. It's a very, very black day for me. I'm having an extremely bad time of it. I miss you so much. I want you back here with me. It's just not the same at all. It's so very empty with out you. Everything seems so meaningless. Yes, there are sweet memories but they are fleeting. My heart is so heavy, it is difficult to get up everyday and not see your beautiful face waiting for me. I love you, I love you, I love you. We have added a new member of the pack, as I'm sure you're aware. A little brindie and white sister. We could add a hundred new pack members but there still would never be the likes of you! You are and always will be the most cherished, loved, awesome, one and only thief of my heart. I will forever love you, my sweet beautiful 'Chickie-wickie'.
Forever, Mommy xoxoxoxox*

“ Chickie went home with Jesus , July, 29th, 2015. Words cannot describe what this 50lb. ball of fire, mischievous, silly, goofy, loyal, devoted, protector, attached at the hip, demander of your full attention, nipper of her Dad, never her Mom. Greatest heart, true spirit and just plain happy to be with you, when this precious baby charged into our lives and left her eternal impression forever in our hearts.

Hey Chickie Baby.... I'm at a loss for words right now...my heart is so wounded I feel as if I cannot breathe, how will I make it without seeing your beautiful sweet happy face everyday. You made life worth living, you made life have meaning. You are the most Special dog I have ever known,not to mention all the friends you've had that loved you so much and miss you too. I will close for now... I love you with all my heart and soul, I miss you so much I can't stand it... later Sweetie. Love forever, Mommy
