“ *Chinchin is the most compassionate pet ever. He is so easy to please and is just the sweetest pomeranian pet. He loves to be loved and kissed. He loves to play with all his stuff toys and likes to ride in the car. He had a good life but life was just too short for us. 14 yrs with chinchin is not enough for the blessings and love he had shared with everyone. i miss you so much chinchin, love mommy.*
