“ *My Dearest Chloe Angel* 💜

My heart is breaking. Words could never express how much you mean to me. You were the absolute best. Thank you for giving us 12 amazing years. That's 12 years of kisses, snuggles and unconditional

*love. You meant the world to me and I'll never forget you. Little Wolf, you were definitely one of a kind for sure. Life isn't going to be the same without you, but I find peace in knowing you're with Grandpa. I know he was missing his Chloe Doey. Until I see you again one day, enjoy long walks with Grandpa and have fun playing with your pal, Buddy. Love Always and Forever;
Miss you Angel, Your Mama.*
