“ *Hi, Chris! It's hard to believe that Robbie's been gone a whole year and that you've been gone almost two years! Time flies! I miss you guys so much. I think of you all every day and I know that you are with me every day. Thank you for that! Love you!*

“ Our little Christopher was our rock...the strong one....the constant in our lives. We just can't imagine him not being around. But we had to let him go and we are so sad. He was the smartest, most sensitive dog we ever had. You could look into his eyes and see into his soul. We always knew what he was thinking. We hope that he is now happy and healthy and rummaging through someone's dirty sheets as we speak! We love you, Chris! We miss you!
