“ Your paws no longer tread the familiar floor, Your happy barks are silent, forevermore.  
A void remains, a space where joy once grew. But memories linger, forever true.  
We shared adventures, laughter, and soft sighs. Beneath the sun and beneath starry skies.  
Your wagging tail, a beacon in the night,  
Now a cherished memory, burning ever bright.  
Though grief may linger, and tears may fall,  
I'll hold you close, within my heart, you'll enthrall.  
For love transcends, and even in your rest,  
Your spirit lives on, forever blessed. 💔 I love and miss you so much my beautiful girl!
