“ *I remember when you first got Coby. You were head over heels with him. I knew then he would have this fabulous doggy life. He gave you as much love as you have him. I'm truly so sorry for your loss. We can never have them long enough 😞 RIH Coby 🐾 🤍*

“ Angels don't always have wings, Sometimes they have fur and paws
Angels don't always have halos, Sometimes they wear collars
Angel don't always sleep on clouds,
Sometimes they sleep nestled next to you
Angels don't always sing in a heavenly chorus, Sometimes they bark and howl
