“ *Coco's Amazingly Successful and Sovereign 18 year Earth Journey was completed on 1.28.24.*

She has traveled all across the country in multitudes, done radio shows, sacred sex events, welcomed in restaurants, medical centers and newly identified animal lovers. She was a spiritual warrior assisting and navigating exorcisms, balancing beings out of alignment, and amplified love for each of the hyena of thousands of souls she encountered the kind of expression they required. Thank you for being a part of her journey ❤️❤️❤️
