“ *My Beautiful Cookie,
I think a piece of me went with you...Saying Goodbye to you feels completely unreal..and was so much harder than I expected it to be..I can't accept that you're really gone.. Cookie, I hope you know, you were way more than just our pet, you were my sister, a piece of our family, you were a huge comfort and constant companion to me through so many seasons of my life. Losing you has Shattered my heart in ways that are actually hard to put into words. I hope you know how loved, and valued and cherished you were, how much joy you brought into our lives, and how very much you will be missed. I hope you are in a beautiful place, surrounded by all of your siblings, with all of the snacks and car rides you can imagine. I hope you're somewhere sunbathing by the sea, without a care in the world. No pain, just happiness.
I miss you so much cookie.. there will never be another you..
Rest easy pretty girl 🍪 until we meet again 💕

“ *I remember when Ms. Cookie was a little puppy and her butt would wiggle whenever anyone came over. She had carte blanche to walk all over the table whenever she pleased and never missed a chance to eat leftovers. It wouldn't be aimless driving without Cookie either. She was always ready to be out and about.. judging everyone else who weren't us. She was a spoiled little pup since the day she came home. Rest in peace sweet angel*

“ Although I have been preparing for this day for a long time it certainly didn't make today any easier. Cookie was kind and sweet to everyone she met and was truly one of a kind .Thank you Cookie for always being there for me when I was sad and especially coming to see me when I was in the hospital. I will always keep your memory alive and have you in my heart until I see you again on the other side. I love you my little girl!❤️

“ I remember the day my parents brought Cookie home, she was so tiny, sitting in a box between the back seat of the car. She loved spending time with her family and enjoyed when we had company over. Car rides and butt scratches were her favorite parts of the day. She's going to be missed by her family and friends, now she can rest easy and join her other siblings on the other side of the rainbow bridge

“ *Walking back into the house today was the hardest thing to do. Not seeing you run up to me to welcome us home. We are beyond heart broken. 16 years was not long enough for us our beautiful girl. We will miss you so much everyday. Rest easy my little princess. Until we meet again. Fly high with the angels.*
