

Cooper Sukalo

November 10, 2014 - September 21, 2025

Our little boy and best friend, Cooper crossed the Rainbow Bridge today. He was so funny and always made us smile. He lost his battle with cancer surrounded by his loving family. He will be truly missed by all of us as he was our third fur baby we lost to cancer and within 7 months of losing our Kyli girl. He will now be back together again with his beloved Kyli and will meet his big brother Kali in Heaven. We love you Cooper. Rest in Peace with Kyli and Kali until we meet again.
