“ *Daisy lived for as long as she could and she was always filled with so much energy and love til her very last day. Even on her last day on earth, she drank a bowl of water and ate lots of snacks. She enjoyed our last BBQ on Memorial Day as a family and she passed away in the arms of those who loved her most. She went peacefully and I am so glad it happened that way. You will always be missed, but never forgotten. Cross the Rainbow Bridge my crazy girl. We will meet again soon.* ”
