“ *Deoji, a rescued dog who not only became a part of me, but a part of everyone I love*

Though he came out strong at first, he was always giving high fives to those above

Recently knowing how to say my name and I love you will be missed almost as much as his morning kisses and hugs!

No matter how badly I wished you was here with me, i know your no longer in pain

Theres so much I want to say but my eyes continue to keep getting cloudy from the tears & my fingers tremble more and more as I try to type, just by the thought of you...

I love you stinky Mc stinker!!! <3 <3 <3
