“ *I remember when we couldn't find her after she was out on the terrace. I looked outside downstairs and in the bushes but she was nowhere to be found. Then I heard a meow and she some how fell (or jumped) down to the floor below us. Pretty amazing considering we were 10 stories up. She definitely had 9 lives! We'll miss you Diamond!*

*Yes son that was amazing 2 days on the terrace below
I remember Cottin trying to alert us that she was there
What an amazing cat Diamond was
Miss her so much
I think she's still here with me*

“ *Diamond, I remember going with grandma to lick you up from outside. I remember helping name you based of the gray diamond spot on your head. When you would nibble on my hair and ear and sleep next to me when I stayed over. We're gonna miss you but you're no longer in pain. Love you diamond* ❤️
