JR

“ *Diego died in his sleep on the night of 8/28/2012. I found him at 6:30AM on the 29th in the basket that he normally slept. At the age of seven, his time was too brief, but he touched everyone who met him. His gentle soul and spunky attitude made him more than a pet, but also a friend. Through hard times, he always stayed near, providing comfort and companionship. It was particularly interesting how he would keep his favorite things near his sleeping spots. He spent many hours on my lap as while I edited my film, so much so that I consider him assistant editor. He liked spending time with me as much as I did him. Diego will be sadly missed for as long as I remain.*
