“ Daisy Sierra sent a virtual gift in memory of Dori Sierra

Daisy sierra - February 26, 2016 at 05:51 PM

“ I remember bringing Dori home for the first time. She was so small, she fit in my hat. When we got home that night she slept in a laundry basket on the floor of my room. She was so small that when she stood up in the basket all I can see was her nose. It was great week. I remember her first everything that week. Her first poop, the first time she ate, and the first time she barked. Everything she did was so adorable. Miss her terribly.
