“ *Papito, It's been one year without you. Yes, I'm 2 weeks late posting, but it doesn't mean I wasn't thinking of you. I think often of you and still feel your presence. I miss your cuddles, kisses and your sweet bark and howl. You are so missed! You are still so much loved! I hope you are happy and healthy and running around in doggie heaven with your sister Tisha, we miss her too. We love you Dusty, our Duster, our Papito, our sweet boy. Until, we meet again. Love you so much, Mommy.*

“ *Dusty, it's been one week 2/15/23 since you left us. We miss you so much and we are so heartbroken. The house is so quiet and we still feel your presence. Sometimes, it feels you're still going to run to us. Ethan misses you so much. I hope you found your sister Tisha and you're both running around together. RIP. We love you and you will always be our sweet, little boy, our Chuchi Bear, our Duster, our Papito.*
