“ *My dear baby girl Eleanor. Today It's one month since you have passed Our heart is sore from your passing. Just one month after your brother Noah has passed. Our house, our home has not been the same without you and your brother. It is so quiet around here. We miss you, Noah and Eleanor. I am hoping when my time comes. I will see you both at the rainbow bridge waiting for me.*

“ To Our Darling Ellie,

*Birdie, you are missed and loved so very much. I think about you often and miss your sweetness. Thank you for being our perfect little girl and for choosing us to be your forever family. We will meet again on the Rainbow Bridge, baby girl.*

*Love Always,  
Your Family*
