“ Some of my favorite shots of my darling girl ❤️🌈🐾🙏

“ Once, when I was on a call with Nicole, I could hear Emmy playing with her toy in the background. She was throwing her toy and then running to get it, over and over again. I was surprised that she wasn't asking Nicole to play fetch with her, but rather finding enjoyment by herself. This was only a couple years ago, but she was her age and playing like a puppy.

RIP Emmy 💖

“ I am so sorry for the loss of your sweet Emmie. Our pets become our babies and take a huge part of our heart when they leave us, but, her memory will live on in your heart. You gave her a beautiful, long life. My feepest condolences, Love Marlene
