“ It's been three years since my little puppy Figaro passed from this earth. You brought so much joy and love to the family. We miss you so much but you're now in Heaven with mom, Tiffany, grandpa, grandma, and all of our other beloved pets who passed before. I love you little boy. I'll see you someday but know I love you always. Rest in peace little one!

“ *My little Figaro was the best dog ever. He was the sweetest and most loving dog from the day we got him to the day he left this earth. He brought us so much love and joy and was the most loyal friend anyone could have. When my mother went to get him, he got right into the car as if he knew he belonged with us. He was a constant companion for us all but especially to my dearly departed mother. He can now go and be with her in eternity. He left a big mark on all of our hearts and we will all miss him. He was truly a part of our family and we will love him forever.*

*Miss you and love you my little puppy dog,
Dennis*
