“ *This absolute G of a pet will never be replaced in spirit or chaotic energy. He was a banging lad and will forever be that. Heroes get remembered but Legends never die. And this Lad was definitely one of the biggest legends that i, in my legend status bestowing goodness, have laid eyes on.*

“ I still remember the day that y'all got that little bunny. I'm so sorry that he passed, especially so unexpectedly and suddenly. I know it hurts to lose a pet that you love and I'm so sorry. He was so adorable.
