“ *My little Gizmo..no words will ever express how much I loved you and still do. I know you didn't like to stay alone so I dedicated my weekends to you. I would always rush home to be with you. You were my buddy, my friend and special companion. I will miss our nap times..you loved napping. So my little Gizi..enjoy your time playing with all your friends in the meadows and we'll be reunited soon. If you ever miss me while waiting, just think about the song I sang to you while you were in your deep sleep..I'll be singing it too.*
