Hey Giz ur up there with the BEST! Grama, O, my mom, and so many of our loved fam and friends who r missed dearly. U will also b missed. U came n our lives 16 years ago as a cute playful puppy. We've brought joy and happiness to alot of us and our children. After (112 dog yrs) JESUS decided it was best to bring u home and knowing ur suffering no longer brings joy to my heart just as it did 16 yrs when we first met. Rest Easy Giz <3

“ Dear Giz,

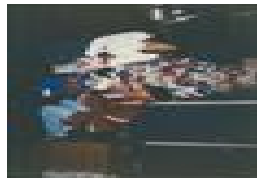

I still remember the day you came into the lives of our family, I was about six years old at the time. You were an active dog, very affectionate, and exciting. I looked forward to taking you for walks through the neighborhood to flaunt you to my friends. I've watch you grow from a little puppy to an adult, as you did with I. Now that you aren't here, I feel an emptiness in my heart. I wish we could've spent many more years together. My love for you is boundless. I will embrace these pleasant memories I have of you. You'll always be that source of happiness, love, and companionship. I miss you very much.

*Love,
your cousin I'Drionna Way*

“ It comes a time when you have to come to a crossroad that you can't bare to go thru but today I crossed it. My best friend and beloved pet Gizmo passed away on Nov 28, 2012. It took some time for me to process that he is gone from my life forever. There is so much I can say but it's hard to express what I feel in my heart because it hurts so bad.I lost a friend so special to me. Giz we been through a lot but we made it thru.I don't know how I'm gonna go on without you. All I know is when I first saw you I knew I was going to love you until the end of time. Now that your time has passed a piece of my heart has broken. Just know I will never forget you and you will always be in my heart until we come together again. I love you Giz and you will definitely be missed. We shared many special moments and they will be cherished forever. I'm Bonnie and your my Clyde we been riding together for 16 long years so shine bright. Your my diamond in the sky .

*Love you Forever & Ever
