“ *Harley, may you rest in peace, you were always so protective of my Gianna and I will love you for that. You made Gianna's visits so much fun. She loved you so much from the first day she met you...I remember when she was little she use to love to sit on you and try and ride you, she loved to throw that (icky) ball to you over and over again, she also use to love to give you lots of treats...you were a very good loving dog to Gianna...I will never forget that. love you and miss you...xoxo aunt nicole...*

“ *To my sweetheart Harley,
I hope we gave you a wonderful life. Loved you so much, you were our "big boy", you left us too soon. I was not done loving you. Thank you with many tears, for all the love, joy, loyalty, laughter and memories you gave us. You live forever and ever in the front of my heart, Your memory is the glue that mends my broken heart and I will love you everyday until I meet with you.*

Love "Mommy"
