“ Always my little boy and no one will ever replace you. Your presence is no longer here and no words can ever describe that feeling. I will never forget you and the many memories and adventures we shared over the course of your 12 years of life. It's not going to be easy moving throughout life without you buddy. I hope you're eating all the pasta you loved so much with family and friends wherever you are. Be at peace my baby. Momma loves you. Always. <3
