“ Honey, was the sweetest most loving cat. She was opened to meeting new people and so kind to kids and new animals that were introduced to her. Honey was the queen of the house she was funny, adventurous and she had a great way to make me smile whenever I felt upset or down. Honey will never be forgotten, I felt she's my soulmate and now she is on the other side waiting for our reunion when it's time for us to be together again.
