“ *My baby*

It's been such a wonderful 10 years with you. I miss and love you so much. It's getting harder every day not having you to cuddle with. My little boy I can't believe it's been 2 days without you. I miss you so much

“ My sweet boy it's only been a few hours but my heart is broken. I'm so lost without you. I loved you so much! I can't believe I'm going home tonight without you there. Rest in peace, my clearance puppy!
