“ Letting go of what brings a memory of pain go today -it was yours I held on for too long you know why . I can't think of a proper way to part with it that brings peace before a new start in a new home again. Your memory is all around me. I know your spirit is often too. Thank you I love you Jewlie.

On the way to the vets- I found this beside Jewlie in my car. I know it was a sign meant for her.

You can choose to see peace and live it- or be distracted and miss all of the good. Thank you for teaching me that Jewlie, I love you so much.

Today is the day after Jewlies private Funeral. My friend had taken the photo 5 hours away where the weather was the same. She shared it on her social media page, without knowing the significance of it in my life. She knew Jewlie had died but if she had not shared I would have missed it happened yesterday. I Thank you my hometown friend. Jewlie went to Heaven on my grandmothers birthday. The day that she left, we found a feather next to her in the back seat on route to the vets- They say feathers are signs from angels. In 2003 a rainbow came immediately after my grandmas burial as I sat on our porch by myself crying. Yesterday this rainbow came for Jewlie too ... It started raining the moment I pulled away from our vets to drive her to the pet funeral home. Heaven cried all day for her. This I learned , appeared and was taken around the time it stopped raining after I got home with her ashes. As I laid there with Patches (her sister) crying in our bed I SWORE I saw Jewlie laying on her bed and it rocked me. My tears wouldn't stop. The sun came through my window and now I know all along that Gods promise was right there. I knew with my grandma when I saw the rainbow, but the comfort I have now is coming over me again, because- Jewlie got her rainbow too. My gratitude and faith is immense.If you read this Thank you. Please pray for me that another guardian angel comes my way soon. I love my friends but my pets are my only family and my joy for living.
