*You will forever remain my favorite redhead.
For almost 16 years you had the fortune of great health, a love for living, and a safe place to call home. You gave me your trust and your open heart, and, in return, I learned about patience, commitment, and how to be there for someone beyond myself. I still can't believe I took care of your little self almost every day of your long life. And I can't believe you're gone.*
