“ Hi Katie Girl! It's cousin Michelina and Holy Man. You gave my Aunt and Uncles life so much meaning to it. You made them happy when they were sad just by the look of your sweet face. You were a gift from the Lord sent down for my beloved Aunt and Uncle. Thank you for making them feel so happy inside. They love you more then words can express and they will never ever ever forget you. You were their ink to their pen, their smile their faces, the laces to their sneakers, Katy girl, you were their everything. There was nothing you could of done to make them mad at you, you could of set of a wildfire and they would still love you to the moon and back. So, on this day, I want to thank you for for making my Aunt Jean and Uncle Warren as happy as ever and for leaving your paw prints on their heart. Everyone loves you and misses you terribly, but one day we will all meet again at the rainbow bridge. I love you forever. Rest in peace little one💋💋

Love,
Michelina and Holes. Xoxoxoxoxoxoxoxoox

“ My son and I knew Katie very well. She was always happy to see Warren and I after we returned from work. Always full of kisses and ran up to me for a pet. She followed Warren like his shadow and will be missed allot. Anytime someone was sick she stayed by them untill they were better. I know that will also be missed as well. But I think that she is still watching over her Mom and Dad. Waiting till they see her again and being together once more.

Miss you too,
Warren & Chris
