“ Dear Kitty Biason,
You were one of very few cats that i actually liked. Other cats are usually "stuck up" but you were very sweet and quite lovable and didn't annoy me! :)
Till we meet again! Love you.

“Kitty was the gentlest and most loving soul ever! She was a true gift to me and was so loyal to me. She was so playful and trusting of all people. She wasn't fearful of anyone. I will miss her so much. I will miss her sleeping on top my head and licking my eye to wake me up. When I would forget to set my alarm for work she's the one who would wake me up! Always looking out for me! I will miss her waiting for me at the door anytime I would come home. She has truly earned her wings. She was a faithful and loving friend and will always be. As my friend said: "Pure love." And that she was and continues to be. Love you Kitty Witty...My Little Mama Bear...
