“ lacey,  
it's been almost ten years since you left us. for the past ten years, i've thought about you frequently, remembering the specific things you used to do. like when you scratched at the door when you had to go out, when you'd hit your water bowl to let us know you needed more, when you would howl when we howled, or how you loved when we'd slide you across the floor. you were such a sweet girl and i miss you everyday. i hope that you have reunited with your little brother bentley, and that you two are running free and eating pup-peronis and maro snacks. i love you lacey, and you will forever have a special place in my heart.

“ Hi Lacey

*I miss you. 10 years came so fast. It was so heartbreaking to lose you. It was so sudden and fast. I wish we had more time together. You really were such a cute little dog. We were just talking about how you used to howl if you heard someone else do it, or how you would hit your water bowl to us know you needed more. I know you were waiting for your little brother at the rainbow bridge. I know he was so excited to see his big sis. I hope you and benny are running free and at peace. I will love and miss you forever.*

*Love, Cristin*

“ I remember when I held Lacey in the palm of my hand the day she was born. It was an amazing feeling she was so small and precious. Lacey immediately became part of our family. We gave her love and she reciprocated by giving us such joy. I have so many wonderful memories of Lacey. I hope it is those memories that will help me through the sadness I am feeling now. I am missing Lacey so much. There is definitely a emptiness is our home. Lacey will be "Forever In Our Hearts". Lacey rest in peace, I love you.
