

Lilly Sanchez

March 13, 2024

Lilly blessed our lives with nearly 16 wonderful years of unconditional love & joy. "Silly Lilly" was a nickname we frequented often, and the most fitting for our playful little lady. Even in her old age, she continued to carry her spirits high and never lost the love in her eyes. Lilly passed away the morning of March 13th, 2024 in the arms of her family. Such a beautiful soul will never be forgotten. Thank you for being here, sweet girl. See you again soon.

“ What can I say about Sweet Lily . Lily you were always so welcoming when ever I visited greeting me with your tail wagging at a fast speed lol. Doing your zoomies and and barking away in a happy bark , as if saying " hello my friend so good to see you let's play" lol. Lily you will be missed thank you for your love and great memories and for giving your family so many great happy years, I know they will miss you greatly ,RIP in Doggie heaven ☐🙏

“ So many memories to choose from... like when Lilly stole a loaf of bread, a waffle, and other assorted food items. Or when she couldn't handle two things at once and barked with a mouthful of food, sending it all over the kitchen floor!
