“ *I may have never officially met Lilee but I know how much joy and love she brought to her family. She came from adversity and at first she didn't have much hope in life, but her family found her and took her in. She put her mark on people in their hearts and sometimes on their skin, she just had to bite occasionally. But nobody really minded because they knew she had a checkered past. She lived life with puppy enthusiasm, I may not have met you Lilee or shaken your paw or felt your teeth. But I love you just the same because I can see your legacy in everybody's eyes.*

“ I would like to send my condolences to the Pavez Family during this difficult time. My fondest memory of Lily ie. (Lillian Baxter) was how debonear and divaesque she would be after a day of grooming, thats how she earned the name of Lillian Baxter from me. You were fun & playful, and I am going to not miss only you picking with me and chasing me for no reason, but I am definiitley going to miss that diva like personality that seemed so amazing to witness from a Pooch...They say all dogs go to heaven, and with you I know that It has to be true.. Love you Miss Baxter (Mua) love alway Mona
