“ *Lokita will always be missed and daddies will always love you. You were taken away from us far too soon as you were only 8 years old. your daddies are here with your daughter Blondie and her furry husband lokito. You have now been tattooed to us and for ever engraved in our memories and for ever in our hearts. Rest in doggie heaven and save us the seats in the closest park as you will for ever run free with all of us one day. Love you for ever!!*
