“ Lucky I don't know if I've ever seen a dog get as much love as you have! You really are Lucky lol and so is your mom for having had the blessing to be your dog mom! You were a really cute & friendly dog, with a bit of a bad breath problem at one point but still lovable lol thank you for showing as much love to my prima as she showed you, and I hope you're chillin up there with God now and that when we get up there we get to see you too! With better breathe of course 😊 love you and rest in peace!!

“ Love you Lucky!! Thank you for being my workout partner ❤️ this picture was after he went crazy on the ab roll outs 💪 and I just had to get a pic of how cute he looked ☐☐ this was the time your mom went away and asked me to take care of you. I remember being so excited to have you over and worrying if you'd enjoy your time with me. I remember changing your diaper for the first time and being so confused so I called your mommy for help lol 😂 she only bought 3 diapers to last the 1.5 days she was gone so I had to make them last, but of course I used them all up on the first day lol. You probably knew I was new to the whole dog-mom life, but thank you for being patient with me and for being a good boy ❤️❤️❤️ rest in peace cutie pie ☐☐

“ My heart aches as I write this but on January 30th, 2024 at 6:28pm the love of my life Lucky passed away in my arms. Just shy of his 19th birthday, my little Lucky crossed the rainbow bridge. Lucky, thank you for your unconditional love and for being my sweet, gentle, crazy baby. Thank you for choosing me to be your dog mom. Thank you for being there throughout my entire childhood. Thank you for always waking me up in the mornings. Thank you for lying next to me when I was sad. Thank you for your goodnight and your good luck kisses before exams. Thank you for going to get ice cream with me every spring/summer day after class. Thank you for always eating my bread crust. I can go on forever but overall thank you for just being you! I am unsure how to continue life without you; I just hope I get to see you one day. I will love you and miss you for the rest of my life.

Please hug your dog, cat, snake, pig, guinea pig, etc extra tight for me tonight; because we really don't know what we have until its gone.

If you have any pictures of my little Lucky or want to share a memory of him, please feel free to; it means a lot to me.

Tell Lucky to give my best friend a hug for me in heaven my cat Juniper! Love you and praying for you, I know this hurts. Be strong and be grateful! What a beast Lucky was for sure!
