“ *For a while I was speechless in such deep sadness, but every time I remember the joy she gave me, it makes me smile again. The feeling of me hugging Luna, who has become my baby the past few weeks, still remains in my chest, and it's hard to swallow. But now I leave it to God to take her to a place where she doesn't suffer. Thank you Luna, I've been happy with you all this time*

“ Sending all of my love to the Cha family as you mourn the loss of your furry family member. Luna was the first cat I ever met and bonded with. She was such a sweet and chill cat, and she will be deeply missed. I'm sure she is sunbathing, eating treats, and watching over you all. <3

“ *When tomorrow starts without me  
And I'm not here to see  
If the sun should rise and find your eyes  
All filled with tears for me*

*I wish you wouldn't cry  
The Way you did today  
While thinking of the many things  
We did not get to say*

*I know how much you love me  
As much as I love you  
Each time that you think of me  
I know you will miss me too*

*When tomorrow starts with out me  
Please try to understand  
That an angel came and called my name  
And took me by the hand*

*The angel said my place was ready  
In heaven far above  
And That I would have to leave behind  
All those I Dearly Love*

*But When I walked through Heaven's Gates  
I felt so much at home  
When GOD looked down and smiled at me  
From his golden throne*

*He said This Is Eternity  
And All I promised you  
Today for life on earth is done  
But Here it starts a new*

*I promise no tomorrow*

*For today will always last  
And Since each day's the exact same way  
There is no longing for the past*

*So When Tomorrow starts without me  
Do not think we're apart  
For every time you think of me  
Remember I'm right here in your heart*
