“ Maurice was the most even-tempered cat I've ever known. He used to follow me all over the house like a purring shadow. He was also a bit of a hermit, because he'd run for cover underneath furniture whenever new people entered the house. My mother and I were the only people he felt safe being with. Also, whenever food was served, he'd be out in a dash. He was 10 and a half years old when he died. I hope he passed away without any suffering before I discovered him on the morning of December the 9th.

*Bless you Maurice*
