“ Mia, in our hearts”

*We took you home  
Despite our dilemma*

*The ride was so long  
And your body did tremor*

*Our family was yours  
You soon would learn*

*Wait for your food  
Its not your turn*

*Out in the yard  
You would learn you could run*

*And when you were finished  
You would bask in the sun*

*Our home was complete  
When you came along  
Large and young and oh so strong*

*No stranger would enter  
At least not for long*

*Protect us you would  
With all of your might*

*You left nothing for yourself  
Nothing for your own personal fight*

*You wanted to leave  
This world and you did*

*You came right back just for your kids  
One last good bye to them you would give*

*It appears you were at peace  
And no longer could live*

*It seems unfair for you to depart  
But live on forever  
You will in our hearts*
