

## Micah MacMullen

September 18, 2023

Micah loved everyone he met and was loved right back. He had the fluffiest, most beautiful coat and gave the best hugs. Micah was a special dog- he was so intelligent and sensitive. He showed concern when anyone was in distress and knew how to brighten up your day. We were blessed for nearly fifteen years with the greatest friend anyone could have, he was a true loyal companion. He crossed the rainbow bridge knowing that he was so loved. We hope you have a room full of croissants and toys to rip the squeakers out of up there. Until we meet again. 12/25/2008 - 09/17/2023
