“ It has been a week since you left us broken hearted. I hope you are safe, in a better place. I miss you like crazy and at times I feel as though I am going crazy. Although you are home with us now, I still miss your presence. We have planted flowers in remembrance of you right by the pool. You'll always be my little baby boy. I miss you Mickey. I love you forever <3

“ *The only memories I have of Mickey were the ones Loida shared. Pictures either sent to my phone or seen at work would always brighten up my day. I still see him in the tux that had me cracking up for nearly a week. Mickey you touched so many lives in your short stay on this earth. You will be gone but certainly never forgotten. I just wish I got the chance to meet you in person.*

“ *I am so sorry for the loss of your boy Mickey. I know how much you loved him and I know he loved you. He was very lucky to have such a caring, loving, and affectionate home. You always did the best for him and you were a terrific mom. May God comfort you in this time of sorrow, but sorrow is the price we pay for loving our babies so much.*

*A native american prayer.
I give this one thought to keep-
I am still with you still
I do not sleep
I am a thousand winds that blow
I am the diamond glint in the snow
I am the gentle autumn rain.
When you awaken
in the mornings hush,
I am the swift, up lifting rush
of quiet birds in circled flight.
I am the soft stars that shine in the night.
Do not think of me as gone-
I am still with you
in each new dawn.*

“ Mickey is very loveable and accommodating. AIKO was welcomed into his home. At first they were going through the motions of getting to know each other but in the long run , they became friends. Mickey is kind even tho AIKO liked to eat his food and treats. AIKO missed him when they were not together and you can tell in aikos actions. AIKO as well as I have grown to love Mickey. He will always be missed. Our prayers for him and will always be in our hearts. We will miss you and love you always Mickey! AIKO cherishes the toys Mickey gave him, even though AIKO has been under the weather lately , he still manages to take time to play with the toy Mickey gave. God bless Mickey!!

“ Mickey sure was a Spoiled baby but he was sweet and cuddly dog. Even just taking him in for a few days brighten my days and he did leave a place in my heart. He was loved and surely will be missed by the Lao Family.
Lots of love and hugs to Mommy Loida and Family.
