“ *Mikey was our beloved friend, companion, and soulmate. Through the 17 years we had with mikey, life would often throw us curveballs. We could always count on him to be there for us, and lift our spirits with his two footed doggie dance greeting. He didn't ask for much. Just love and occasionally cheese. Ok... always cheese.*

We are so blessed to have had him in our lives. Although he is gone, we know he will always be with us. He taught us valuable lessons in life, that we will always carry with us. That happiness comes from within ourselves. We also know that he will be with us again, In this life, or the next. Until then, old pal.
